ACM Student Chapter - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/acm/ | Crawled: 2026-10-09T14:09:47.810911+00:00

ACM Student Chapter

ACM - Ist Student's Chapter

MIET set up the first student’s chapter of the Association for Computing Machinery (ACM), USA in the state of J&K in 2017. Student Chapters of the ACM provide unique opportunities for networking, mentoring and exposure to cutting-edge technologies. The MIET Student Chapter was conducted with the ACM signature event, “Hour of Code”.

ACM Member Student Council at MIET

■ The ACM Member Student Council has 7 official positions approved by ACM. The details of the current council members with the positions and tenure are as follows: S. No. Position Name Semester 1 Chairperson Akanksha Kotwal 7th Sem 2 Vice Chair Diya Bhat 7th Sem 3 Technical Manager Ashank Gupta 5th Sem 4 Head of Operations Mandeep Singh 3rd Sem 5 Secretary Rohan Nagra 5th Sem 6 Joint Secretary Peeyush Raina 7th Sem 7 Membership Chair Sudanshu Khullar 5th Sem 8 Event Coordinator Ayush Kachroo 5th Sem 9 Treasurer Vatsal 5th Sem 10 Webmaster Arnav Khajuria 3rd Sem 11 Outreach Coordinator Radhika Gupta 3rd Sem 12 Social Media Handler Hemant Singh 5th Sem

Anti-Ragging Committee - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/anti_ragging/ | Crawled: 2026-10-09T14:09:47.810911+00:00

Anti-Ragging Committee

Overview

The MIET Anti-Ragging Committee serves as a vigilant body within the institution, dedicated to preventing and addressing instances of ragging—a form of bullying or harassment. Comprised of faculty representatives, it ensures a safe and inclusive environment for all. The committee conducts regular awareness programs, enforces strict regulations against ragging, and facilitates confidential reporting mechanisms. Through proactive measures and swift intervention, it upholds the dignity and well-being of students, fostering a culture of respect and mutual support within the MIET campus.

I-Survive Adventure Bootcamp

The I-Survive Adventure Bootcamp is a unique and thrilling experience designed to enhance teamwork, resilience, and problem-solving skills. Led by professional trainers, participants engage in challenging adventure activities like climbing 100 feet and free-falling, pushing them beyond their comfort zones. Over a 2-day immersive experience, MIET students stay in comfortable camps, enjoy delicious meals, and bond over a warm bonfire. Conducted over two months, this bootcamp is one of the most innovative training programs in academia, ensuring every student gets a chance to develop essential life skills.

i-Survive Adventure Bootcamp

Overview

At I-Survive, we are dedicated to shaping attitudes and developing life skills among students through our acclaimed four-level adventure boot camp. Our unique initiative aims to provide a one-of-a-kind experience that broadens horizons and fosters self-discovery. Led by professional trainers, our program exposes students across 4-levels for attitude shaping and life-skills development.

Our camp, aptly named “I-Survive,” symbolizes the indomitable human spirit to triumph against all odds. Through a series of grueling activities, we not only provide an adrenaline rush but also impart key learnings essential for personal growth. Students learn to overcome their individual fears and mental blocks, push themselves beyond limits, and develop the ability to trust others and work cohesively as a team.

We honor the legacy of late Dr. Arun K. Gupta, the former Chairperson of the MIER Group and a passionate nature lover, who was the visionary behind this special camp. His commitment to taking students out of their comfort zones and exposing them to new ideas and thoughts continues to inspire us. In today’s highly competitive world, it is crucial for the youth to develop resilience, adaptability, and a strong sense of self. Through the I-Survive boot camp, we aim to provide students with the necessary tools and experiences to excel in all areas of life.

Join us at I-Survive Adventure Boot Camp where over 10,000 students have embarked on a transformative journey of self-discovery, personal growth, and lifelong skills. Unleash your potential, overcome challenges, and embrace the indomitable spirit within you. Get ready to push boundaries, redefine your limits, and emerge as a confident and empowered individual.

Are you ready to conquer the adventure of a lifetime?

Are you ready to take the next step toward your career?

Campus Infrastructure - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/campus-life/infra-maps/ | Crawled: 2026-10-09T14:09:47.810911+00:00

Campus Infrastructure

Overview

The MIET campus, spread over 25 acres, is renowned as the greenest campus in the region, with over 1,000 trees, manicured gardens, and natural foliage creating a serene environment for learning. Recognized by the NAAC accreditation team as one of the institute's key strengths, the campus offers 22,000 sq.m of built-up space, including modern classrooms, well-equipped labs, seminar rooms, an auditorium, a library, and a cafeteria.

Infrastructure

MIET boasts a well-rounded infrastructure that caters to a diverse set of needs. The campus is equipped with modern computing facilities, ensuring students and staff have access to the latest technology. A well-stocked library serves as a knowledge hub for academic resources and research. The spacious auditorium hosts a variety of events, from seminars to cultural programs. For sports enthusiasts, the campus features cricket pitches and a futsal court, promoting an active and healthy lifestyle. With these top-notch facilities, MIET fosters a conducive environment for both academic and extracurricular growth.

Computing Facilities

MIET provides high-performance computing, modern software, and robust networking for academics and research.

Library

MIET offers a well-equipped library with extensive resources for study and research.

Laboratories

MIET provides advanced laboratories with modern equipment for practical learning and research.

Gathering Spaces

The college provides various gathering spaces to accommodate different academic, cultural, and recreational activities. The auditorium serves as a venue for seminars, conferences, and cultural events, while the lecture halls facilitate large academic sessions. The convention room is designed for formal meetings, workshops, and discussions. For informal interactions and relaxation, the common room offers a comfortable space for students. These well-equipped spaces ensure a dynamic environment for learning, collaboration, and extracurricular engagement.

Canteen Facilities

The college canteen offers a clean and comfortable space with a variety of hygienic snacks and meals. It serves as an informal hub for relaxation, interaction, and refreshment, supporting student well-being and campus life.

Skill Centre Labs

The Skill Centre houses specialised laboratories including the Drone Lab, CPS Lab, and iACE Lab, designed to support hands-on learning and innovation. These well-equipped labs provide practical exposure to emerging technologies, enabling students to develop technical skills, undertake projects, and engage in research and industry-oriented training.

Sports Facilities

The college offers a variety of sports facilities to support both recreational and competitive activities. The well-maintained cricket pitch provides an ideal space for cricket enthusiasts, while the basketball court caters to those interested in fast-paced team sports. Additionally, the futsal court offers a dedicated area for indoor football, allowing students to engage in physical activities and enhance their teamwork and fitness. These facilities contribute to a healthy and active campus life, promoting physical well-being and sportsmanship.

Green Initatives

MIET is committed to sustainability through various green initiatives. The campus is powered by solar energy panels, reducing reliance on conventional sources and lowering its carbon footprint. Additionally, the college has implemented rainwater harvesting, with plans to store up to 1 Lakh liters of filtered rainwater. MIET also uses an advanced Sewage Treatment Plant,

which processes 10,000 liters of sewage daily and reuses the treated water for gardening and other purposes, reflecting its dedication to eco-friendly practices and environmental conservation.

Solar Energy

MIET utilizes solar energy panels to promote sustainable energy use and reduce environmental impact.

Rainwater Harvesting

MIET has implemented a rainwater harvesting system to conserve water and support eco-friendly practices.

Sewage Treatment Plant

MIET operates an efficient sewage treatment plant to ensure waste management and environmental sustainability.

Student Clubs

At MIET Jammu, student life thrives through a vibrant network of over 20 clubs and societies spanning technical, cultural, literary, and entrepreneurial domains. Clubs like the IEEE, ACM, GDSC, and Azure Developer Student Club offer platforms for technical growth and innovation, while the Cultural Club, Media Club, and Dogra Club celebrate creativity, tradition, and heritage. Special interest groups like the Investor's Club and Moot Court Committee further enrich the campus experience by nurturing leadership, critical thinking, and professional skills. Together, these clubs create a dynamic environment that fosters holistic student development beyond the classroom.

CSI Student Chapter - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/csi/ | Crawled: 2026-10-09T14:09:47.810911+00:00

CSI Student Chapter

Overview

In keeping with its tradition of taking the lead in all student-related activities, MIET became the first institution in the state to form the CSI Student Chapter with 276 student members from the departments of Computer Science and Engineering and Information technology Engineering. This is the single largest enrollment while starting a student's chapter in the entire North India as communicated by CSI. The CSI chapter actively organizes several different events like inter department programming, CSI Day, workshops etc to promote and develop skills on emerging technologies among students. The CSI Chapter from last three years is engaged in holding regional level convention to bring together researchers, engineers, developers and practitioners.

4th CSI J&K State Student Convention, 2016

MIET organized the 4th Computer Society of India (CSI) J&K State Student Convention in November 2016 in which 400 students and faculty members from the region participated. Mr. Shiv Kumar, Technical Director, National Informatics Centre (NIC), New Delhi and Regional Vice President (Region 1), CSI was the Chief Guest while Mr. Saurabh Agarwal, Head – Marketing and Communications, Middle East and Africa, Tata Consultancy Services and Regional Student Convener, CSI was the Guest of Honor on the occasion. Events included workshop on Big Data by EMC Corp., Hackathon on SMAC technologies and technical quiz for students.

3rd CSI J&K State Student Convention, 2016

Model Institute of Engineering and Technology (MIET) organized the 3rd Computer Society of India (CSI) J&K State Student Convention on 25th-26th February, 2016. Mr. Hirdesh Kumar, IAS, Commissioner Secretary TE, YSS and IT was the Chief Guest on the inaugural function, while Mr. Amit Sharma, Managing Director, SIDCO was the Guest of Honour. The theme of the convention was "Make in India, Make in J&K". Over 600 students from CSE, IT and MCA departments from MIET and other institutions participated in the 2 day event, which was sponsored by CSI. Highlights of the event included the "Innovation Mela" in which ground-breaking innovative projects by the students were showcased. On the second day an "Idea Fest" competition wherein teams pitched their technical or business ideas to an eminent jury was held along with a workshop on "Developing Creative Ideas" featuring dynamic entrepreneurs from J&K Mr. Babar Afzal, Chairman, Kashmir Ink and Mr. Kunal Gupta, Director, Antarix Technologies. MIET operates one of the largest CSI student chapters in North India with over 500 active student members.

2nd CSI J&K State Student Convention, 2014

Model Institute of Engineering and Technology (MIET) organized the 3rd Computer Society of India (CSI) J&K State Student Convention on 25th-26th February, 2016. Mr. Hirdesh Kumar, IAS, Commissioner Secretary TE, YSS and IT was the Chief Guest on the inaugural function, while Mr. Amit Sharma, Managing Director, SIDCO was the Guest of Honour. The theme of the convention was "Make in India, Make in J&K". Over 600 students from CSE, IT and MCA departments from MIET and other institutions participated in the 2 day event, which was sponsored by CSI. Highlights of the event included the "Innovation Mela" in which ground-breaking innovative projects by the students were showcased. On the second day an "Idea Fest" competition wherein teams pitched their technical or business ideas to an eminent jury was held along with a workshop on "Developing Creative Ideas" featuring dynamic entrepreneurs from J&K Mr. Babar Afzal, Chairman, Kashmir Ink and Mr. Kunal Gupta, Director, Antarix Technologies. MIET operates one of the largest CSI student chapters in North India with over 500 active student members.

1st CSI J&K State Student Convention, 2013

The first J&K State convention under CSI chapter was held in March 2013. Commissioner Secretary, Information Technology, Govt. of J&K, M K Dwivedi, IAS was the Chief Guest while Prof R K Vyas, National Student Coordinator and Prof Bhopinder Singh, Dean Engineering Jammu University and Principal GCET were the Guests of Honour.

IEEE Student Branch - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/ieee/ | Crawled: 2026-10-09T14:09:47.810911+00:00

IEEE Student Branch

- IEEE Webpage

Overview

MIET became the first technical institution in J&K to setup an IEEE, USA (Institute of Electrical and Electronics Engineers) Student Branch in 2014. IEEE is the world’s foremost professional association for engineers, technicians and academicians devoted to the advancement of the engineering profession. The student branch is responsible for organizing technical events, workshops, seminars, coding and competitions, and invited lectures, creating a culture that celebrates technology. In its short existence, the IEEE student chapter has succeeded in organizing high quality technical events and provided a platform for the students to showcase their skills and talents.

IEEE Membership

Any faculty, professional or student can become member of IEEE based on the eligibility criteria of IEEE. Once an individual becomes a member of IEEE, he/she will have access to technical innovations, cutting-edge information, networking opportunities, and exclusive benefits provided by IEEE. Members support IEEE’s mission to advance technology for humanity and the profession, while memberships build a platform to introduce careers in technology to students around the world.

ISTE Student Chapter - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/iste/ | Crawled: 2026-10-09T14:09:47.810911+00:00

ISTE Student Chapter

Overview

The Indian Society for Technical Education (ISTE) is the oldest Student Chapter at MIET, set up in 2006. The ISTE chapter provides MIET students access to ISTE conventions at other institutions, besides the opportunity to apply for ISTE student awards on a regional basis. Since, 2006, more than 14 students from MIET have received the ISTE Best Student Award at the ISTE North Zone Conventions which are held annually. All students of MIET are student members of ISTE making it the largest student branch of ISTE in the state of J&K.

ISTE Best Student Awards

- 2024: Hemaal Gupta (Civil), Esha Suri (ECE), Akshat Amla (CSE), and Raghav Sharma (CSE) received the ISTE Best Student Award 2024 during the ISTE Student Section Convention 2024, held on 17th October 2024 at Chitkara University, Punjab.

- 2023: Arjun Charak (CSE), Tanisha Gandhi (CSE), Harsh Singh (ECE), Mehak (ECE), Afza Rouf (Civil), and Simran (MCA) received the ISTE Best Student Award 2023 during the ISTE Student Section Convention 2023, held on 27th October 2023 at GNA University, Phagwara.

Dr. Ajit Virdi (ASH) and Ms. Shafalika (CSE) received the ISTE Best Teacher Award 2023 during the ISTE Annual Faculty Convention 2023, held on 23rd November 2023 at Bhai Gurdas Institute of Engineering and Technology, Sangrur, Punjab

- 2022: Asst. Prof. Bhagyalakshmi Magotra (CSE) and Asst. Prof. Abhishek Chandra (CE) received the ISTE Best Teacher Award 2022 during the Annual Faculty Convention 2022, held on 30th September 2022 at Dr. B R Ambedkar National Institute of Technology (NIT), Jalandhar.

- 2021: Mehvish Farooq (ECE), Aditi Sharma (CSE), Shivali Manhas (CE), Rukhsan Un Nisa (EE), and Ayush Khajuria (MCA) received the ISTE Best Student Award during the ISTE Student Section Convention 2021, held on 8th October 2021 at Consultancy Hall, Guru Nanak Dev Engineering College, Ludhiana, Punjab.

- 2020: Jatin Abrol (CSE), Saba Hamid (CSE), Akshit (ECE), Hardik Dutta (CE), Suryaksh Sharma (EE), and Stuti Mahajan (MCA) received the ISTE Best Student Award during the ISTE Student Section Convention 2020, held on 21st December 2020, and hosted at Guru Nanak Dev Engineering College, Ludhiana, Punjab.

- 2019 : Ms. Tavishi Baigra (ECE), Joyjit kour(CSE) , Meenal Prabha Sharma (Civil Engg.), Sohit Sharma(EED) and Sakshi Sharma(MCA) received ISTE Best Student Award- 2019 hosted by ISTE Section level convention for students on 21 st oct 2019 at GNEC, Ludhiana

- 2018 : Ms. Aakriti Sharma (CSE) and Mr. Dev Ashish (ECE) received ISTE BEST STUDENT AWARD, during ISTE Student Section Convention 2018 on 16-17 November 2018, Hosted at Guru Nanak Dev Engineering College, Ludhiana, Punjab

- 2017 : Ms. Mehvish Malik from ECE and Ms. Paria Arora from CSE received ISTE Best student Award, 2017, hosted by Indian Society for Technical Education (Pb., Chd., HP and J & K section) at Rayat-Bahra Campus Ropar in MINERVA-17

- 2016 : MIET bagged “Overall Best Performance” trophy at North Zone ISTE Section Annual Student Convention hosted by Rayat-Bahra Campus, Ropar on 4th -5th November, 2016. Mr. Sahil Koul, student of 7th Semester of CSE Department and Mr. Danish Mukhtar student of 7th of IT Department got the “ISTE Section Best Student Award-2016” for their remarkable achievements.

- 2015 : MIET bagged “Overall Champions” Trophy for the third consecutive year at the ISTE North Zone Convention and Annual Festival held at Rayat Bahra Institute in Ropar, Punjab. Mr. Nitin Bhandari (CSE) and Mr. Vikas Chib (ECE) of 7th sem. received the “ISTE Best Student Award” for their remarkable achievements at the ISTE North Zone Convention 6th Nov 2015.

- 2014 : MIET students bagged 10 prizes in various events, the highest number won by any other college of North Zone which participated in this fest. They thus bagged the “Best Overall Performance” trophy for the 4th year running. Mr. Pankaj Sawhney, student of 7th semester (EE) and Ms. Shruti Khajuria, 7th semester ECE bagged the ‘Best Student Award for the year 2013-14’ in the ISTE Student Convention (North Zone). They were rewarded for their excellent all-round showing academic, co-curricular and extra-curricular activities.

IUCEE Student Chapter

Overview

The Indo Universal Collaboration for Engineering Education (IUCEE) Club at MIET is a dynamic student organization aimed at fostering global collaborations in engineering education. It provides students with the opportunity to engage in academic exchange programs, workshops, and collaborative projects with renowned institutions across the globe. The club emphasizes international exposure, allowing students to gain insights into global educational practices, enhance their technical skills, and build a network with peers and professionals worldwide. Through IUCEE, MIET students are equipped to meet the demands of a rapidly evolving global engineering landscape.

Microsoft Azure Developer Club

Overview

MIET launched the Azure Developer Student Club in collaboration with Microsoft Azure and Reskill, led by a core student team from CSE and ECE. The club aims to provide hands-on exposure to cloud technologies, Microsoft certifications, expert sessions, and industry visits. It was inaugurated with Azure Cloud Day, featuring talks by Mr. Lakshit Pant, Program Manager at Microsoft, and Mr. Rohit Sardana, Founder of Reskill. This initiative reflects MIET's commitment to fostering student-driven innovation, industry collaboration, and skill development in emerging technologies.

MIET Students Shine At Mitsubishi Electric India Cup With AI-Based Smart Apple Sorter System - Model Institute Of Engineering And Technology

Source: https://mietjmu.in/miet-ai-apple-sorter-2026/ | Crawled: 2026-10-09T14:09:47.810911+00:00

MIET Students Shine at Mitsubishi Electric India Cup with AI-Based Smart Apple Sorter System

- February 23, 2026

- Exposure Visits , Student Resources , Student Success

MIET Jammu students Tulsi Sharma (ECE) and Harsh Gujral (EE) proudly represented the institute at the prestigious Mitsubishi Electric India Cup , hosted at MIT World Peace University , Pune.

They presented their innovative project, the Smart Apple Sorter System — an AI-driven solution that integrates computer vision with a custom-built Convolutional Neural Network (CNN) model to automate post-harvest apple grading and sorting. The system enhances accuracy, reduces manual effort, and improves efficiency in agricultural processing.

The project received strong appreciation from the jury and visitors for its technological excellence and real-world relevance in smart farming applications.

This achievement reflects MIET's strong focus on AI innovation, research-driven learning, and industry-oriented education, inspiring students to develop impactful technological solutions.

MIET Sports Meet 2025

MIET Sports Meet

Futsal Court

The annual Inter-Departmental Futsal Championship at MIET brings together teams from various departments like CSE, Civil, ECE, LLB, and more. This exciting competition allows students to showcase their skills, teamwork, and competitive spirit on the futsal court. With energetic matches and enthusiastic supporters, the tournament creates a lively atmosphere, encouraging sportsmanship and unity among students. It remains one of the most awaited sports events on campus.

Pickleball Court

MIET offers a dedicated Pickleball Court, promoting fitness, fun, and community engagement on campus. Designed to meet standard specifications, the court supports both recreational and competitive play. As one of the few institutions in the region with this facility, MIET encourages students and faculty to explore this fast-growing sport as part of a healthy, active lifestyle. Whether you're a beginner or a seasoned player, the court is open for all to enjoy and unwind beyond academics.

Standards Club

Overview

The Standards Club at MIET aims to foster a culture of quality, innovation, and standardization among students. In collaboration with the Bureau of Indian Standards (BIS), the club educates students on the importance of national and international standards in ensuring product safety, consistency, and global competitiveness. Through workshops, expert talks, competitions, and hands-on projects, the club empowers students to engage with real-world applications of standards and contribute to the development of a quality-conscious ecosystem. The club nurtures young professionals to become ambassadors of standardization in their future careers.

Student Investor Club

Inauguration of Student Investor Club at MIET

MIET School of Management inaugurated the Student Investor Club on April 15, 2022, to foster financial literacy and investment awareness among students. Prof. Ankur Gupta, Director MIET, delivered the keynote address, emphasizing the benefits of long-term investments and encouraging greater student participation. The club aims to enhance financial knowledge through interactive activities such as The Simulation Challenge, Impact Lectures, FinLeague (workshops and knowledge-sharing sessions), Live Trading, and other student-driven events. It provides a platform for students to engage in peer learning, smart financial decision-making, and innovative entrepreneurial thinking.
