Model Institute of Engineering & Technology, Jammu

Academic Rules and Regulations

Note: This document is a compiled reference summary prepared for MIET Jammu (Model Institute of Engineering & Technology, Kot Bhalwal, Jammu). Specific figures and procedures should be verified against the latest official notifications of MIET Jammu and the University of Jammu before being relied upon.

1. Applicability

These rules apply to all students admitted to the B.E./B.Tech, M.Tech, MCA and MBA programmes of MIET Jammu. The curriculum, syllabi and scheme of examination follow the regulations approved by the University of Jammu. In case of any conflict, the University ordinances prevail.

2. Programme Structure

Programme	Duration	Semesters	Maximum period to complete
B.E./B.Tech	4 years	8	Normal duration + 2 years (as per University norms)
B.E./B.Tech (lateral entry)	3 years	6	Normal duration + 2 years
M.Tech	2 years	4	Normal duration + 2 years
MCA	2 years	4	Normal duration + 2 years
MBA	2 years	4	Normal duration + 2 years

3. Academic Calendar

- The academic year is divided into two semesters: odd (July/August - December) and even (January - May/June).
- A semester has a minimum of about 15-16 teaching weeks, followed by examinations.
- The academic calendar, including holidays, sessional test dates and examination schedule, is published at the start of each semester.

4. Registration and Enrolment

- Every student must register for each semester within the dates notified. Late registration is permitted only with the prescribed late fee and approval of the Principal.
- A student who has not cleared dues or has not completed registration is not allowed to attend classes or appear in examinations.
- Students must carry their identity card at all times on campus.

5. Courses, Credits and Electives

- Courses are classified as basic sciences, engineering sciences, humanities, professional core, professional electives, open electives, laboratory, project and mandatory non-credit courses.
- Credits are assigned on the basis of lecture (L), tutorial (T) and practical (P) hours per week.
- Professional and open electives are chosen from the list offered by the department in a given semester, subject to minimum enrolment.

- Students may be permitted to earn credits for approved NPTEL/SWAYAM or other MOOC courses where the University scheme allows it.

6. Grading System

Grade	Grade point	Description
O	10	Outstanding
A+	9	Excellent
A	8	Very good
B+	7	Good
B	6	Above average
C	5	Average
P	4	Pass
F	0	Fail
Ab	0	Absent

- **SGPA** = sum of (credits x grade points) of the semester / total credits of the semester.
- **CGPA** = sum of (credits x grade points) of all semesters / total credits registered so far.
- Percentage equivalence of CGPA is as notified by the University. Grade scale and pass grade are subject to the scheme adopted by the University for the relevant batch.

7. Promotion and Backlogs

- A student is eligible to appear in the end-semester examination only if the attendance and internal assessment requirements are met.
- Students who fail in one or more courses carry them as backlogs and may clear them in supplementary/back-paper examinations or when the course is next offered.
- Promotion to higher semesters/years is governed by the University norms on the maximum number of backlogs permitted.
- A student must clear all backlogs and secure the minimum CGPA specified by the University to be eligible for the degree.

8. Project, Internship and Training

- Final-year B.E./B.Tech students undertake a major project, usually in the 7th and 8th semesters, under the guidance of a faculty supervisor.
- Industrial training/internship during summer breaks is encouraged and, where included in the scheme, is evaluated through a report and viva-voce.
- Projects must be original; plagiarism leads to rejection of the report and disciplinary action.

9. Change of Branch, Withdrawal and Readmission

- Change of branch is permitted only if allowed by the University/AICTE norms and subject to merit and availability of seats.
- A student who wishes to withdraw temporarily (e.g. for medical reasons) must apply in writing with supporting documents; approval rests with the Principal.

- Students detained for shortage of attendance or discontinued for a period may be readmitted to the next batch on payment of the prescribed fee and with approval of the competent authority.

10. Academic Integrity and Conduct

- Copying, plagiarism, impersonation and falsification of records are serious offences.
- Students are expected to maintain discipline, dress modestly and respect faculty, staff and fellow students.
- Use of mobile phones in classrooms and laboratories is restricted unless permitted by the instructor.

11. Award of Degree

The degree is awarded by the University of Jammu after the student has successfully completed all credit requirements, cleared all courses, paid all dues and obtained a no-dues certificate from the institute.
